

**Two plots of land in Punta Grossa on the north coast of Menorca.**

**Ref.: 91587**

Joint sale of two plots on the stunning northern coast of Menorca, in the Punta Grossa urbanization. From the plots (currently), you can enjoy incredible sea views. However, the current urban planning situation does not allow for the issuance of new building permits. Additionally, please note that these plots are part of a land redistribution process that began in 2015 and has not yet been finalized. The resulting property will be in a similar but currently unknown location once the process is complete. For this reason, they are offered at such an attractive price.

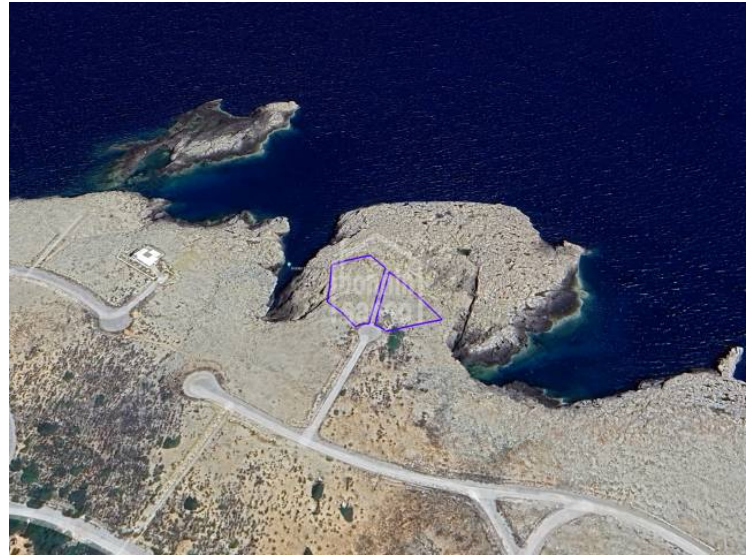

Price: **55.000 €**
